Visit Highway 30 Car Club online at www.highway30carclub.com

2007 Car show will be Co-Hosted by the Union Parks Dept. We are hoping for our biggest attendance this year. Union Parks Dept. will be helping to print & distribute flyers to promote the event.

Anyone not yet signed up to work at the show contact Jan to see where help is still needed.

Highway 30 Car Club will not be hosting the "Peach of a Car Show." Due to unforeseen reasons Highway 30 has decided not to undertake this venture. We will however still participate in the Chili Cook-off.

Anyone who has any ideas on increasing member participation in club functions please feel free to let us know. We have had a drop in members being active in club events as of late and would like to see all members enjoy all that the club has to offer.

Don't forget th Annual Show in fast approaching: Saturday April 28th. The theme this year is "Classics in the Park." Please contact Jan or Ron to see where you can help at this years event.
